

Why am I giving you a ticket?

First—You were praying too fast! You were doing 5 Hail Marys a minute in a 3HMPPM zone!

**Second—for looking right and left while praying!
When you pray, you keep your eyes on God!**

**Third—you were texting while praying!
You cannot love God and text at the same time!**

**Fourth—You're praying under the influence of the world!
You're not fit to hold your Rosary beads!**
